AMFCU MEMBER OWNED

No matter where you are in the world, access to financial services is vital. Rich or poor, we all face similar challenges in life. Together, credit unions are helping members overcome those challenges-not only here in Lafayette, but throughout the world. Credit unions have consistently carried on the traditions set by their founders and exemplified the values of thrift, self-help, and volunteer leadership, democratically elected from among the members and carving out a special place for themselves among the world's financial institutions.

At Acadiana Medical Federal Credit Union we strive to help improve the lives of our members by offering affordable rates and high-quality service, in the process of building trust.

This year, AMFCU is especially proud of our repeated acclaim as a safe and sound institution and our continued services to our member owners, through difficult economic times.

Thank you for allowing us to serve you. As we move forward in 2018, we pledge to continue the credit union's philosophy of putting people before profits in order to provide access to affordable financial services to all our members.

SAVE THE DATE

On April 11, 2018 AMFCU will hold our Annual Meeting at the Scott Event Center in Scott, LA. Additional information will be mailed to you in advance of the meeting.

If you are interested in serving in a volunteer board position, please call the credit union for details.

IMPORTANT TAX INFORMATION

Now is the time to verify your address at the credit union. All 1099 and 1098 tax forms will be mailed out by January 31, 2018. If your address is incorrect this will delay your tax notice.

You are responsible for notifying us of any address or name change. The credit union is only required to attempt to communicate with you at the most recent address you have provided to us. We require all changes to be provided in writing.
